

DCELLS

Checklist: Managing sex and relationships education

This checklist is primarily for the use of the designated member of the senior leadership team with overall responsibility for managing holistic SRE provision.

Criteria	<i>Fully in place</i>	<i>Partly in place</i>	<i>Not in place</i>
An up-to-date sex education policy, which follows Welsh Assembly Government guidance, has been developed.			
The up-to-date sex education policy has been developed by a working group involving learners, staff, governors and parents/carers.			
The up-to-date sex education policy has been presented to and agreed by the governing body.			
The sex education policy has been disseminated to all members of the school community, including parents/carers and visitors involved in the delivery of SRE.			
Arrangements for managing parental requests to withdraw their child from sex education are followed.			
A member of the senior leadership team has overall responsibility for SRE.			
There is a member of staff who coordinates the delivery of SRE.			
All staff involved in the delivery of the SRE programme receive appropriate training and support.			
SRE key stage curriculum overviews have been developed identifying progression across year groups.			
Schemes of work have been developed that detail a skills-based, age-appropriate SRE programme.			
Learners' views are taken into account regarding what is taught and how SRE is delivered.			
Arrangements are in place for parents/carers to view SRE teaching materials.			
Contributions to SRE by external agencies are jointly planned and comply with school policy.
